There were two errors in the original publication [1].

Text Correction

The authors would like to change one sentence in the Introduction section and write the conference name correctly.

In Section 1, the text “In the year 2015, at the United Nations Climate Change Conference (UNCCC), 195 countries endorsed the Paris agreement to work jointly to keep the temperature well below 2 °C over pre-industrial stages [5,6].” should be replaced by the following sentence: “In the year 2015, at the United Nations Framework Convention on Climate Change (UNFCCC), 195 countries endorsed the Paris agreement to work jointly to keep the temperature well below 2 °C over pre-industrial stages [5,6].”

Reference Correction

The authors wish to replace the original reference [5] which was added by mistake with the reference originally mentioned in the main text.

In the Reference section, reference [5] “Zhong, X.Z.; Wang, G.C.; Wang, Y.; Zhang, X.Q.; Ye, W.C. Monomeric indole alkaloids from the aerial parts of *Catharanthus roseus*. *Yaoxue Xuebao* **2010**, *45*, 471–474.” should be replaced with “United Nations Framework Convention on Climate Change (UNFCCC). The Paris Agreement (2015). Available online: <https://unfccc.int/process-and-meetings/the-paris-agreement/the-paris-agreement> (accessed on 26 July 2022).”

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
